

IOSS Reporting Service

A PwC Product

Meeting your EU VAT reporting obligations with only a few clicks

You are delivering consignments to consumers in the EU?

Then make use of our Import-One-Stop-Shop service – fast, simple and compliant.

Quick
customs
release

Optimise your
VAT reporting
process

Your contact for
all tax-related
questions

Import-One-Stop-Shop

A simplified VAT procedure

- for non-EU merchants
- selling goods to private individuals (B2C) located in the EU
- for consignments with a value of up to EUR 150

VAT for each EU member state can be reported within one single declaration

Our offer – Your value

Optimised VAT reporting process

- easy and quick IOSS registration via digital questionnaire
- preparation and submission of IOSS returns based on your EU sales upload
- single point of contact for you and the EU tax authorities

For a flat fee based on the numbers of the packages per year

With PwC's IOSS Reporting Service you are in best hands.
