

Zone Check

Digital Corona Crisis Management

Your challenges during the Corona pandemic

Lack of transparency & control over the infection situation

Minimize risk of infection and prevent economic damage

No tools available for digital & anonymous contact tracing

Our solution: Zone Check

Zone Check is a **modular platform** that is **GDPR-compliant & TÜV-certified**.

1. Contact Tracing App

Digital and anonymous contact tracing

2. Management-Cockpit

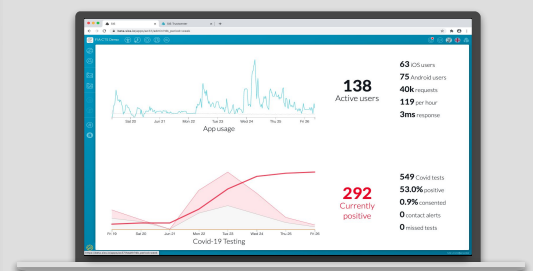

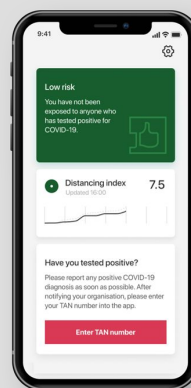

Analysis Dashboard for effective crisis management

3. Administration Covid-19 Tests

Efficient administration of Corona tests in the workforce

4. Wearables

Contact tracing in areas where smartphone use is not possible
